In accordance with the QVAHOA Rules and Regulations currently in effect, I understand and agree to the following:

- No inoperable vehicle of any kind will be stored in the recreation storage area. Inoperable items will be towed away at the owner's expense and a lien may be placed on Owner's unit to recover the cost.
- Stored items must have a current license tag or registration. Unlicensed or expired items will be removed at owner's expense and a lien may be placed on Owner's unit to recover the cost.
- Owners will not take over a space occupied and maintained by another owner without their consent.
- Owners will obtain permission from the HOA board representative prior to storing any item in the storage area.
- Items will be stored in a manner which **DOES NOT IMPEDE** access to the stored items of other residents.
- No items will be parked in the storage entrance road. All items will be parked at least 20 feet away from the entrance road.
- Any item left unregistered for 6 months will be considered abandoned and disposed of at owners expense and without their consent.
